

Hunter

QUALITY POLICY STATEMENT

The Company's policy is a declared commitment to design and manufacture its products in a manner conforming to the relevant British/ International standards or customer requirements.

The aim is to provide optimum customer satisfaction by maintaining an effective quality management system ensuring all Hunter personnel are fully conversant with the Company's objectives. The Company will give full attention to the activities of design, manufacturing cost, performance reliability and personnel training which will be planned and developed in accordance with the requirements of BS EN ISO 9001: 2000.

We are committed to exceeding our customer's expectations in everything we do. Quality should be designed into every product and process and is the responsibility of every employee.

The Quality Management System Manual is issued with the full authority of the undersigned and all procedures are mandatory unless over-ridden by contractual requirements.
